- What was David waiting for?
- What could he have done instead of waiting?
- Why didn't he do this?
- David was an outlaw on the run – but he was God's promised King.
- He trusted God to do what he had promised!

# Questions?

- Once again David is like King Jesus
- How did Jesus react when people wanted to hurt him?
- How did he show mercy on those people?
- Why was he able to do that?
- When Jesus rose again everyone could see that Jesus really was God's king! The wait was worth it!

# The best thing we are waiting for is to see Jesus come back as King!

- God promised David he would be king – he was!
- God promised Jesus he would come back from the dead – he did!
- God promises Jesus will come back as king – he will!

# The best thing we are waiting for is to see Jesus come back as King!

- Why can we be sure that Jesus will come back as king?
- How should we react if people are horrible to us because we trust in Jesus?
  - think – how did Jesus and David react when people were horrible to them?
- God promises Jesus will come back as king – he will!

# Let's Pray!

- Heavenly Father,
- Please help us to trust you when things are hard. Help us to remember that Jesus is king and that one day everyone will see that. While we wait for him help us to behave like Jesus and David did - with mercy and forgiveness.
- Amen

# Let's Pray!

- Heavenly Father,
- There are lots of things we have to wait for at the moment – seeing our friends and families again, going back to school, going on holiday. Help us to trust you while we wait. Help us to behave well at home – to be patient and kind with our Mums and Dads and brothers and sisters.
- Amen
