Psalm 19:1-6 – the heavens declare the glory of God...

- What can the sky, stars, moon and sun tell us about God?
- He is the RCAEROT
- He is GHUE!

What can these amazing things that God made tell us about him?

If we just had creation there would be a lot we wouldn't know about God!

What else do we have v7-9?

Law, Precept, Statutes, commands are all words for God's word – the Bible

What can we find out about God from the Bible that we couldn't from creation?

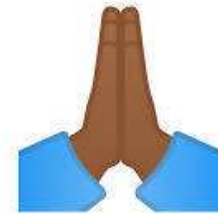

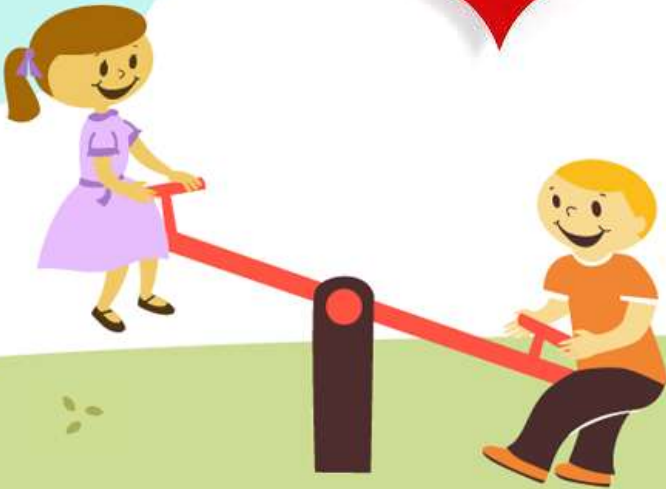

He loves us!

We can talk to him.

What is right and what is wrong.

And loads more!

Let's find out what this guy can tell us about Psalm 19 – and his lunch! We find out about God from creation and from the Bible – how else?... https://www.youtube.com/watch?v=YNgiM_8dRZk

Craft – Psalm 19 shows us how great God is – he made the stars. God’s word is sweeter than honey – it tells us all about how much he loves us!

- Make yummy sandwiches!
- Spread two pieces of bread with butter or margarine.
- Spread one with honey (or jam if you don’t have any)
- Put them together and cut out star or heart shapes with a cutter – no cutter? Cut out the shape from card, put on the sandwich and cut round with a knife – with adult help if needed!

Let's pray

- Heavenly Father,
- Thank you that we can know all about you from what you have made in creation, what you have said in the Bible and what you have done on earth in the life of Jesus. Help you to get to know you better and better each day. Help us to understand your word the Bible so we can see why it is more precious than gold and sweeter than honey,

- Amen

Let's pray

- Heavenly Father,
- Please look after us every day – whether we are at school or at home. Help us to remember how much you love us. Thank you that you show us what is right and wrong in the Bible – help us to do the right thing. When we don't thank you that you forgive us and love us.
- Amen
