We remember all those who have died fighting in wars so that we can be kept safe.

Most of the soldiers' graves have a cross on them. This reminds us that Jesus died for us so that we can be safe with him forever and that death is not the end. If we trust in Jesus we can have life with him forever.

Find three hidden crosses below. Color them red.

When Jesus comes back again the Bible says there will be peace on earth. Until then, because of Jesus we can have peace with God now. Copy or cut out this dove shape. Then take a piece of paper and fold it like a fan. Thread this through the slit in the side to make wings for your very own dove of peace.

A prayer for peace

Heavenly Father,

We pray for all the places in the world where there are wars. Please bring peace. Help people to trust each other and forgive each other. Please look after the people who do not have homes, safety or enough to eat because of war. Help us to remember Jesus the Prince of Peace. Help us to be peacemakers wherever we go.

Amen
