

Let's pray...

Heavenly Father,

Thank you that John was an eyewitness of Jesus, God on earth, so we can be sure it is real. Please help us to admit when we don't follow Jesus and walk in the light. Thank you that you always forgive us. Help us to walk in the light with Jesus every day.

Amen

1 John 1:1-2:2

Today's Bible passage was written by John, one of Jesus' best friends, in a letter to some of the first Christians. He tells us 1) that he was there - he saw God on earth, so we can believe it! 2) If we say we are Christians we need to admit we mess up, knowing that Jesus died to forgive us and then live his way -in the light not the darkness!

John spent 3 years with Jesus – he saw him everyday. He was eyewitness to God's life on earth!

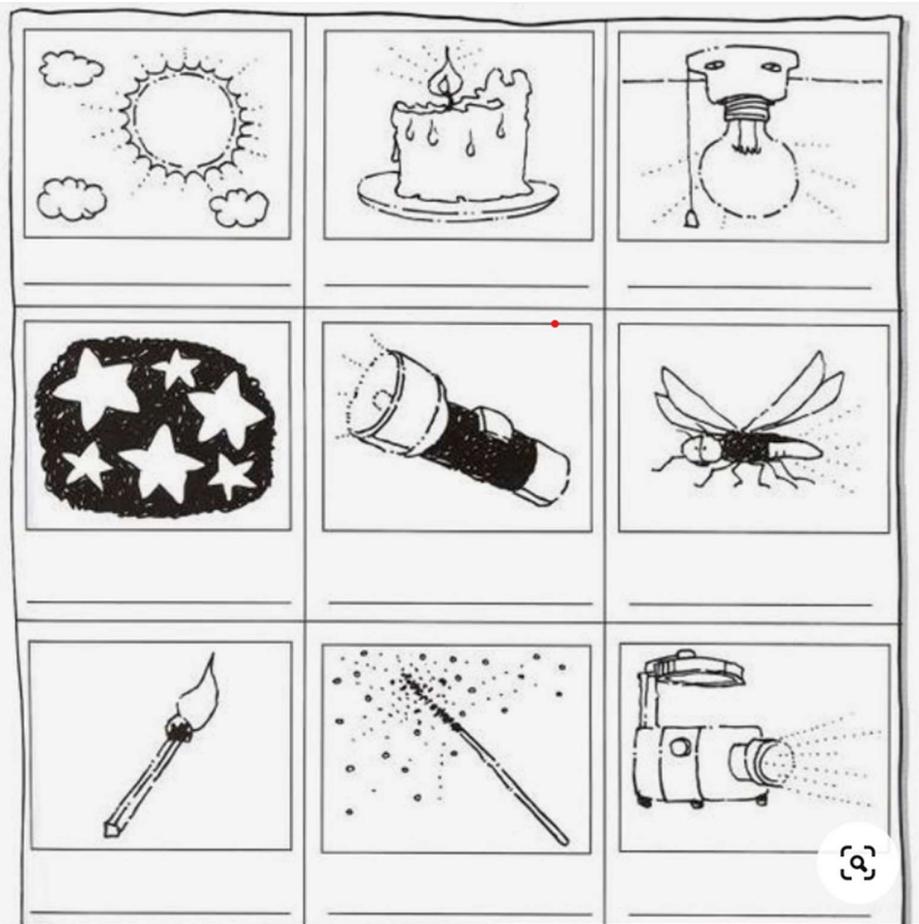

Here is a picture of Jesus with John.

How good an eyewitness are you? Can you spot the 10 differences between the pictures?

Light and Dark

John says that if we trust in Jesus we should walk in the light - live like Jesus did. He says that God is like perfect light - there is no darkness in Him at all. God shines brighter than any light! Can you write underneath these light sources whether they are natural or manmade?

1 John 1:8 If we claim to be without sin, we deceive ourselves and the truth is not in us. **9** If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness.

John Says we should walk in the light and live like Jesus...but we all know we don't always do that. John tells us that we should own up and tell God when we mess up and he will always forgive us.

Why don't you write down some of the ways you have not walked Jesus' way. Ask God to forgive you and then ask him to help you to walk in the light....
