

Let's Pray

Heavenly Father,

Thank you that you are always with us and that if you are with us we don't need to be afraid of anything! Help us to live the way you want every day and not to be worried about what other people think.

Amen

Hebrews 13:1-10

Today's Bible passage is at the end of the book of Hebrews. There are loads of things that the writer wants his readers to remember to do! He thought these things were really important - so should we!

Can you work out what these things are from the clues?

Verse1

each other as

Verse2

to

Verse 3 Remember

s

Verse4 Honour

Verse 5 Be

with what you have.

Check if you have worked out the clues properly by looking back at Hebrews 13:1-10!

The writer tells us lots of great things about God and Jesus that will help us keep going as we live for Jesus. Can you find the highlighted words from the verses in the grid?

God has said, "Never will I leave you; never will I forsake you."<sup>[a]</sup>

"The Lord is my helper; I will not be afraid. What can mere mortals do to me?"<sup>[b]</sup>

Jesus Christ is the same yesterday and today and forever.

*Children might not be able to do all of the things that the writer of Hebrews talks about. Children aren't married. It isn't sensible to welcome strangers into your home. But - we can all try and love people more. We can all pray for people who are in prison because they trust in Jesus (there are a lot in many countries around the world). We can all be kind and friendly to new kids at school. We can all try and be content and grateful for what we have.*

Never forget - whatever we go through and however we feel, God will always be with us, looking after us!
